

Certificate of Approval

This is to certify that the Management System of:

SENER Ingeniería y Sistemas, S.A.

Avenida Zugazarte 56, 48930 Las Arenas, Getxo, Vizcaya, Spain

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00016272

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Activities related to the provision of engineering services to carry out studies and projects in all phases of their life cycle, covering design, construction, supply, assembly, integration, tests and trials, commissioning, supervision, operation, maintenance and comprehensive management. Using technological disciplines such as civil, structures, mechanisms, mechanics, processes, electricity, instrumentation and control, communications, fluid dynamics, naval engineering, FORAN system and software. In the infrastructure and transport, energy and processes (including the oil industry and its derivatives) and naval business areas.

Paul Graaf

Area Operations Manager, Europe

Issued by: Lloyd's Register Quality Assurance España, S.L.U.

for and on behalf of: LRQA Limited
