

Certificate of Approval

This is to certify that the Management System of:

Sener Aeroespacial S.A.

Avenida Zugazarte 56, 48930 Las Arenas - Getxo, Bizkaia, Spain

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 0041145

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

ISO 14001:2015

Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support of activities, equipment and systems, in the fields of science, space and defence. Design, production and after-sales services of devices for inoculation and sowing of microbiological samples, incubation and storage for laboratory automation and its consumables.

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Limited
