

# Certificate of Approval

This is to certify that the Management System of:

## SENER Aeroespacial, S.A.

Avda. Zugazarte 56, 48930 Las Arenas-Getxo, Vizcaya, Spain

has been approved by LRQA to the following standards:

### ISO 45001:2018

Approval number(s): ISO 45001 – 00016198-021

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

**The scope of this approval is applicable to:**

Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support of activities, equipment and systems in the fields of space, defense, science, broadcasting and air traffic control besides installation in the field of broadcasting. Design, production and after-sales service of devices for inoculation and sowing of microbiological samples, incubation and storage for laboratory automation and its consumables.

**Marta Escudero**

Regional Director, Europe

Issued by: LRQA Limited
